## FREQUENTLY ASKED QUESTIONS

**CAN THE 90 MINUTE CRUISES BE EXTENDED:** Yes, this must be decided when booking and an additional fee per 30 minutes will be charged. If the charters run for over two hours, extra food may be required to meet the conditions of our liquor licence.

**MINIMUM REQUIREMENTS:** We require a minimum number of 20 passengers on our Pizza and Platter Cruises. If you have less than this number you will be charged for the minimum.

We can join groups together, at your discretion, if you cannot make up these minimum requirements.

**MUSIC:** We have an extensive range of music that we can play over our PA system or you are welcome to bring your own for us to play. Spotify or YouTube playlists are the most popular option.

**ENTERTAINMENT:** Looking for something to liven up your party? We are happy for you to bring a DJ, Musician, or even a Band. However, space is a factor so please talk to us and check out the venue beforehand.

**BOAT CREW:** Minimum of 1 Skipper and 1 Crew Member.

**CRUISE DEPARTS:** Departures are from B-Jetty, Lyttelton (over the Oxford Street over-bridge).

**WHERE DO THE CRUISES GO?** Every trip is different depending on the conditions on the day. If you have specific requirements, please let us know when you book. We aim to give you a total experience on the water.

**BAR:** We are fully licenced and our liquor licence does not allow BYO. Payment for the purchases on the bar can be made by cash or eftpos on the night. A bar tab can be arranged but must be paid for in full at the end of the charter.

**TAILOR-MADE CRUISES:** Our standard Charter packages have been assembled based on our cruise experience. If they are not what you have in mind please don't hesitate to contact us and have a chat!

**BAD WEATHER:** Unfortunately, weather is something out of our control. However, we can count on one hand the number of cancellations we have had to make over the last ten years. Any cancellation is at Black Cat Cruises discretion.
